PETITION UNDER 37 C.F.R. § 1.53(e)

Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicant hereby petitions for the above-identified application to be granted the filing date of June 8, 2001. Due to inconsistencies between the labels on the drawing figures and the text of the specification, it was unclear that the drawing figures that accompanied the original specification were the same as those referenced in the application. The Preliminary Amendment submitted herewith amends the original specification to use labels that correspond to those used in drawing figures. Further, a copy of the stamped postcard indicating receipt of the original specification and drawing figures is also included herewith. The postcard indicates that 7 sheets of drawings were submitted with the application at the time of filing.
